Il cimitero di Beech Grove (Italian Edition) Daniele Fantini

Buck Jones è un killer professionista, un duro, un uomo che non sbaglia mai. Eppure, sbagliare è umano, e anche i duri a volte inciampano... e se nella caduta disturbano dei fantasmi pare che la legge, la loro legge, li obblighi ad aiutarli.

La storia di Buck Jones, avvolta nell'atmosfera western, dove miniere, cimiteri, e sgangherati hotel fanno compagnia a fantasmi decisamente inusuali, vuole divertire, appassionare, senza mai perdere di vista la suspense e i colpi di scena.

Tra fantasmi degni di un'opera teatrale e killer professionisti, ma tutto sommato più umani di quanto potremmo immaginare, il lettore si ritroverà

protagonista a sua volta di una vicenda sopra le righe e probabilmente alla

fine si chiederà se i fantasmi esistono o meno. Non che a loro importi. Ai fantasmi interessa solamente che le loro leggi vengano rispettate, se infrante esigono una punizione esemplare.

"Buck sperimentò una sensazione nuova, mai provata fino a quel momento, un sommovimento di paura misto ad eccitazione, in percentuali difficilmente identificabili: d'altronde, si trovava a pochi centimetri dallo spettro della persona che aveva accoltellato poche ore prima."
