This book, based on 13 years of research and personal experience, is the bible of boating with babies and children. Immensely practical and highly entertaining, it contains a wealth of information on every aspect of the business, including:

Introducing children to sailing, ideas to keep them from being bored on board, and tips for turning a mutineer into a midshipman
Safety and suitability of different types of yacht; features to look for and those to avoid
Dinghies suitable for use as both tender and sailing craft
Personal safety and an in depth look at different types of children's lifejackets
Ideas to help you cope with seasickness, or even avoid it altogether
Absolutely everything you need to know about sailing or cruising with a baby
Ocean cruising with kids, including home education.
