## **Las mentiras inexactas (Narrativa nº 3) (Spanish Edition)** Justo Sotelo

Nora Acosta, una profesora universitaria de literatura, que está escribiendo un ensayo sobre el futuro de la novela, entra una mañana en una librería del centro de Madrid, en la plaza Santa Ana, y, a partir de ese instante, su vida cambia radicalmente. Allí conoce a Sergio Barrios, el joven librero, del que le separan casi treinta años, y en seguida se enamora de él. Luego aparecen los amigos de Sergio, que contribuyen a convertir la vida de Nora en una especie de película de Woody Allen, ya que no dejan de contar historias que acercan la novela al terreno de la moralidad.

La trama sigue, entonces, el camino de la recuperación del padre de Sergio, que todos piensan que ha muerto violentamente en La Habana, junto al Malecón, así como del verdadero sentido del amor para Nora. Si para el amor no hay edad, tampoco debe existir para la literatura.

Las mentiras inexactas es una reflexión sobre el significado de la literatura en tiempo de crisis económica y espiritual, que juega con multitud de espejos, desde la relación Nora Acosta / Norah Lange (el gran amor de Borges y Gironde), y la última poeta viva de la generación del 27, hasta los pasadizos interiores utilizados por Murakami y Cortázar en sus novelas y cuentos, pasando por el significado de la juventud de la que escribió Gil de Biedma, pues había que llevarse la vida por delante.
