South African Rebel Blogger: The fall of democracy in South Africa as seen by me, Shane Jansens van Rensburg Shane Jansens van Rensburg

This book is largely my point of view and my disappointment in the "new South Africa" and its corrupt leaders and their dismal failures. It also has random amusing essays from my life which is by no means normal. Hopefully by sharing this book with you, you will be able to get an idea of what the South African People are going through on a daily basis.
