Student's Guide to Being Happy in Argentina, A Hope Lewis

A Student's Guide to Being Happy in Argentina is just that—guide for students to be happy while studying abroad in Argentina. Hope Lewis, a member of the Wellesley College class of 2010, studied abroad in Buenos Aires, Argentina, for one semester during her junior year. Like most travelers, she bought a slew of traditional guidebooks. She found that none addressed the needs of students studying and navigating in Argentina. How to handle university classes, get along with your host family, and popular places to hang out, are told from the student's perspective. There's also a chapter for parents to help them on the visits they inevitably will make. This is the first in A Student's Guide to Being Happy series.
