## **The Investigation Phase in International Criminal Procedure: In Search of Common Rules (School of Human Rights Research) Karel De Meester**

The number of academic writings on international criminal procedure is growing rapidly. Nevertheless, the investigation phase has, so far, received less attention than the trial phase itself. The importance of investigative actions has not yet been reflected upon to a more complete extent. This book seeks to fill the gap. It examines the existing law and practice of the different international(ized) criminal courts and tribunals, with regard to the conduct of investigations, in order to identify any (emerging) rules of international criminal procedure. More precisely, the book questions whether (notwithstanding their nature of 'self-contained regimes') these institutions have adopted certain common rules. Additionally, it examines the fairness of the law and the practice of the different international(ized) criminal courts and tribunals, with regard to the conduct of investigations. (Series: School of Human Rights Research - Vol. 71) [Subject: International Law, Criminal Law, Investigative Procedure]

The inside or content is actually fantastic as the outside or even cover. Your reading 6th sense will directly guide you to pick up this book.

#### **Yolanda Powers:**

As a scholar exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's soul or real their passion. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many

ways to reach Chinese's country. Therefore , this The Investigation Phase in International Criminal Procedure: In Search of Common Rules (School of Human Rights Research) can make you really feel more interested to read.
