The Redcoats Are Coming! (AIO Imagination Station Books Book 13) Marianne Hering, Nancy I. Sanders

The first of a three-book story arc about the American Revolution, *The Redcoats Are Coming* follows Patrick and Beth as they assist the revolutionaries by waking up the sleeping citizens of 1775 Concord before the Redcoats come. In this adventure, the cousins meet Paul Revere, Samuel Adams, and John Hancock. They help smuggle musket balls, sound the alarm that the Redcoats are coming, and deliver a secret message to Paul Revere. Along the way they learn that most of the revolutionaries leaned on God's direction and even pastors helped in the cause.

Christian parents and teachers will appreciate the historical facts as well as the biblical worldview training their kids and students will absorb. The kids will appreciate the excitement and tension of an America at war with England, and in some ways, with itself. A curriculum for Christian schools and homeschool families is available for download from Focus on the Family.
