Anestesia e Reanimação (Portuguese Edition)

Fernando Bueno Pereira (ed.) Leitão

Anestesia e Reanimação (Portuguese Edition) Fernando Bueno Pereira (ed.) Leitão

Nos últimos 30 anos, a anestesiologia exibiu grande avanço, passando a ser considerada uma especialidade da medicina perioperatória. Interagindo com a reanimação, criaram-se condições para um campo mais vasto de sua prática, como as salas de recuperação, as unidades de terapia intensiva e o atendimento às urgências, inclusive em ambientes extra-hospitalares. Esse desenvolvimento, associado ao suporte tecnológico, suscitou diversas modificações no sistema de ensino relacionado à área, além de ampliar as atividades dos profissionais que atuam em medicina, odontologia e enfermagem.

Dividida em quatro partes, Anestesia e Reanimação é estruturada da seguinte maneira:

- a primeira parte é direcionada aos conceitos da anestesiologia e da reanimação, suas características históricas, seus fundamentos e a importância da educação continuada, destacando os protocolos de atendimento à parada cardíaca e ao trauma;
- a segunda parte aborda a avaliação do doente, o preparo do material e do equipamento a ser utilizado na realização do ato anestésico, a monitorização, a anestesia geral e os bloqueios periféricos, a anestesia em odontologia, a recuperação anestésica e o tratamento da dor;
- a terceira parte analisa os aspectos do ensino e da pesquisa relacionados à anestesiologia e à reanimação; e
- a quarta e última parte refere-se aos aspectos médico-legais.

Com o objetivo de ensinar os iniciantes e reciclar os especialistas, esta obra será de grande aproveitamento para o registro e a divulgação da experiência nacional em anestesiologia e reanimação, em suas diversas áreas de aplicabilidade.

From reader reviews:

Ashley Staley:

This Anestesia e Reanimação (Portuguese Edition) book is simply not ordinary book, you have it then the world is in your hands. The benefit you obtain by reading this book is usually information inside this publication incredible fresh, you will get data which is getting deeper a person read a lot of information you will get. This particular Anestesia e Reanimação (Portuguese Edition) without we recognize teach the one who reading it become critical in thinking and analyzing. Don't possibly be worry Anestesia e Reanimação (Portuguese Edition) can bring once you are and not make your case space or bookshelves' grow to be full because you can have it within your lovely laptop even mobile phone. This Anestesia e Reanimação (Portuguese Edition) having great arrangement in word as well as layout, so you will not sense uninterested in reading.

Shannon Silva:

Nowadays reading books become more than want or need but also turn into a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book which improve your knowledge and information. The information you get based on what kind of guide you read, if you want get more knowledge just go with knowledge books but if you want experience happy read one together with theme for entertaining for instance comic or novel. The actual Anestesia e Reanimação (Portuguese Edition) is kind of book which is giving the reader unstable experience.

Mario Rice:

Your reading 6th sense will not betray you, why because this Anestesia e Reanimação (Portuguese Edition) reserve written by well-known writer whose to say well how to make book that may be understand by anyone who have read the book. Written in good manner for you, dripping every ideas and writing skill only for eliminate your current hunger then you still doubt Anestesia e Reanimação (Portuguese Edition) as good book not merely by the cover but also by the content. This is one book that can break don't assess book by its protect, so do you still needing yet another sixth sense to pick this!? Oh come on your reading sixth sense already alerted you so why you have to listening to a different sixth sense.

James Peterson:

It is possible to spend your free time to read this book this guide. This Anestesia e Reanimação (Portuguese Edition) is simple to bring you can read it in the park your car, in the beach, train along with soon. If you did not get much space to bring typically the printed book, you can buy the actual e-book. It is make you better to read it. You can save typically the book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.
