James Kaplan

Frank: The Voice James Kaplan

Bestselling author James Kaplan redefines Frank Sinatra in a triumphant new biography that includes many rarely seen photographs.

Frank Sinatra was the best-known entertainer of the twentieth century—infinately charismatic, lionized and notorious in equal measure. But despite his mammoth fame, Sinatra the man has remained an enigma. As Bob Spitz did with the Beatles, Tina Brown for Diana, and Peter Guralnick for Elvis, James Kaplan goes behind the legend and hype to bring alive a force that changed popular culture in fundamental ways.

Sinatra endowed the songs he sang with the explosive conflict of his own personality. He also made the very act of listening to pop music a more personal experience than it had ever been. In *Frank: The Voice*, Kaplan reveals how he did it, bringing deeper insight than ever before to the complex psyche and turbulent life behind that incomparable vocal instrument. We relive the years 1915 to 1954 in glistening detail, experiencing as if for the first time Sinatra's journey from the streets of Hoboken, his fall from the apex of celebrity, and his Oscar-winning return in *From Here to Eternity*. Here at last is the biographer who makes the reader feel what it was really like to be Frank Sinatra—as man, as musician, as tortured genius.

From the Hardcover edition.
