From the simplest herb wreath to more extravagant succulent designs, the strong outlines and shapes of these living wreaths have great visual impact. Bernhisel-Robinson uses step-by-step instructions, an encouraging voice, and gorgeous photographs illustrating her techniques to teach how to make not just a wreath but a modern garden in miniature that changes to become even more beautiful as the plants mature. Includes echeveria, hens and chicks, cactus, moss, strawberry, tomato, herb, lettuce, lavender, and more!

Natalie Bernhisel-Robinson has more than fifteen years experience in the floral design world. Her design company, La Fleur, specializes in custom floral design for weddings and special events. Natalie holds a successful holiday wreath-making class each December. She makes her home in Utah with her husband and two children.
