Magic Words: 101 Powerful Ways to Navigate Life's Challenges Howard Kaminsky, Alexandra Penney
A comprehensive collection of powerful phrases to help you face a variety of life's challenges.

Travelers to foreign countries often carry handy phrase books to help them navigate uncharted territory. Now there's a guide for getting through tough times in plain English—an essential selection of well-honed phrases to help you soothe and smooth your way through any prickly situation.

Divided into three sections—Magic Words to say to yourself, to others, and for universal situations—this invaluable guide contains the verbal keys to the kingdom. Protect yourself in the midst of a tongue-lashing (“Are you actually yelling at me?”); politely remind an obnoxious cell-phone abuser to be courteous (“Don't forget, you're not in a phone booth”); or chant this mantra when things seem to be slipping over the edge (“If you want to gain control, you have to give up control”).

Life is full of little, and big, stumbling blocks. Whether you're dealing with an over-inflated ego, meddling in-laws, or even creating the problems yourself, this sharp little handbook has all the Magic Words you need to get through the toughest of times.

From the Hardcover edition.
