People of the Moon (North America's Forgotten Past Book 13) W. Michael Gear, Kathleen O'Neal Gear

The moon had reached its maximum three times since the Chacoans conquered the First Moon People. The Chaco matrons had built their Great House high atop First Moon Mountain, and their warriors stalked arrogantly through the villages, taking what they pleased. But the gods can only stand so much human arrogance.

Cold Bringing Woman, the goddess of winter, calls upon young Ripple to embark on a perilous quest to destroy the hated Chacoans. But Ripple will not face the task alone; he is aided by his stalwart friends: Wrapped Wrist, a short lothario; Spots, scarred at birth, and aide to the frightening witch, Nightshade; and Bad Cast, a simple family man, who will do anything to free his people.

But the blessed matrons will brook no insurgency. In retaliation, war chief Leather Hand and his warriors embark on a campaign of terror so gruesome it remains unrivaled in the annals of prehistory. It all comes to a climax atop the mountain we now know as Chimney Rock. In the white light of the lunar maximum, the Pueblo gods will dance—and an empire will be engulfed in flames and mayhem.

From *New York Times* and *USA Today* bestselling authors W. Michael Gear and Kathleen O'Neal Gear, *People of the Moon* is a story of North America's Forgotten Past—the battles fought, the heroes made, and the cultures that thrived in America's prehistory.
