Barbara Newman

Sister of Wisdom: St. Hildegard's Theology of the Feminine Barbara Newman

Barbara Newman reintroduces English-speaking readers to an extraordinary and gifted figure of the twelfth-century renaissance. Hildegard of Bingen (1098-1179) was mystic and writer, musician and preacher, abbess and scientist who used symbolic theology to explore the meaning of her gender within the divine scheme of things.

With a new preface, bibliography, and discography, *Sister of Wisdom* is a landmark book in women's studies, and it will also be welcomed by readers in religion and history.
