The Way Back to Paradise: Restoring the Balance between Magic and Reason

Joseph M. Felser

The Way Back to Paradise: Restoring the Balance between Magic and Reason Joseph M. Felser

Paradise is not the state of being in harmony, but the process of harmonizing. It is not a garden of bliss, but the bliss of gardening.

Paradise is about mending the self, restoring the balance, getting back into tune, bringing all our discarded and forgotten parts into the whole. That means paying attention to and honoring synchronicities, precognitive dreams, telepathic communications, visions--and all manner of experiences of psychic sensitivity.

Philosophy professor Joe Felser realized that what he calls the "decrepit, decaying cultural ideologies," in exclusively favoring reason and logic, were excluding the equally real world of magic and psychic activities. He began to investigate, and the closer he looked, the more he found.

But he wasn't ready to abandon the world of reason and logic. Instead, he wanted to see if he could find a way to blend the two.

He did. The result is this book. In *The Way Back to Paradise*, Felser takes you through his day, showing what everyday life looks like when you live that blend. His stories, both magical and reasonable, point the way toward a new kind of paradise, one suited to the 21st century.

Michelle Garrett:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this The Way Back to Paradise: Restoring the Balance between Magic and Reason can make you experience more interested to read.
