A History of Women's Writing in Germany, Austria and Switzerland

This volume makes the wide-ranging work of German women writers visible to a wider audience. It is the first work in English to provide a chronological introduction to and overview of women's writing in German-speaking countries from the Middle Ages to the present day. Extensive guides to further reading and a bibliographical guide to the work of more than 400 women writers form an integral part of the volume, which will be indispensable for students and scholars of German literature, and all those interested in women's and gender studies.
