*The human race as a whole is under spiritual siege and constant attack from an enemy that keeps himself well disguised. This volume is presented to help humanity see and recognize the destructive devices of this enemy. When this book was first conceived, the idea was to alert those who were unaware of the reality of God, the creator of mankind, to the very real danger that they faced by not having an awareness of God or a relationship with Him. As the writing progressed, I realized that most of humanity is unaware of many of the devices being used for their destruction. It has been said that knowledge is the first step to avoiding problems. Reliable knowledge is truly one of our greatest weapons against the enemy who desires our demise. What have you heard about Truth? Has someone told you that truth is only a relative concept? Have there been questions in your mind regarding things proclaimed as truth? In this book Absolute Truth, author J.D. Richardson delves into these questions and sites authoritative, historical, and rational answers that will dispel the mystery and darkness surrounding the concepts and ideas of definite and absolute truth.*
