Suzanne Dixon

Cornelia: Mother of the Gracchi (Women of the Ancient World) Suzanne Dixon

Examining the remarkable life of Cornelia, famed as the epitome of virtue, fidelity and intelligence, Suzanne Dixon presents an in-depth study of the woman who perhaps represented the ideal of the Roman *matrona* more than any other.

Studying her life during a period of political turmoil, Dixon examines Cornelia's attributes: daughter of Scipio Africanus, wife of an aristocrat, and mother of the Gracchi; and how these enabled her to move in high echelons of society.

For students and scholars of classical studies and Roman history, this book will give students a glimpse into the life of Cornelia, and of the influence she had on the period.
