## Culture and Global Change

*Culture and Global Change* presents a comprehensive introduction to the cultural aspects of third world development. It contains 25 chapters from leading writers in the field who each explore a particular aspect of 'culture' and the significance and meaning of cultural issues for different people in throughout the contemporary world. With chapters dealing with the importance of 'Third World' cultures but also with changes in Russia, Japan, the USA and the UK, this book considers the relationship between culture and development within a truly global context.
