Their heated confrontation unfortunately takes place right as a bad storm is coming on and, in the melee of arguing and taking shelter, Harrison's glasses are knocked off his face and broken when Charlie's horse crushes them under a hoof. Harrison and Charlie may have their differences, but she can see from his panic that the loss of his glasses is a blow to him. She volunteers to help him at school until his new pair of special order glasses arrive despite knowing the one place she can't best Harrison is in the classroom.
