The years between ages 8-12 can be an awkward and uncertain time for many girls. Not quite a little girl, but still not a teenager? just in between. Well, author and teen advocate, Susie Shellenberger introduces a unique and creative devotional just for girls ages 8-12 in a way that is totally cool. Dear Diary is a hip new devotional that addresses many of the issues facing young girls today, by providing biblically based solutions at a time when straight answers and solutions to real-life challenges aren't always so clear-cut. Written in the style of a young girl writing in her diary, each devotion not only offers guidance but also encourages girls to develop their God-confidence.
