Dress Me!

Dress Me!

A young girl makes her way through a variety of career possibilities—dancer, doctor, superhero, plumber—in a variety of costumes. She can be graceful, creative, brave, caring, silly, and even scary. She can wear braids or glasses, a crown or a beret. No matter what she chooses, her puppy is twirling, painting, and hammering right beside her, often with an accessory of his own. The story is simple and yet suggests infinite, limitless opportunities and the little girl's right to choose who and what she wants to be. The message is one of exploration, choice, and self-expression. And ultimately another option for the little girl is to be “just me.”

From the author and illustrator of *Paint Me!* comes a new story that teaches children to explore and to be open-minded. Featuring simple text but an inspiring story and lovely, detailed illustrations, *Dress Me!* is sure to charm young readers and parents alike. This book is perfect for early readers and for reading out loud.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
