## El dossier del rey (Spanish Edition) Fernando Rueda

España, año 1980. El pueblo vive intensamente un cambio político plagado de conflictos, que no le permite ver en toda su dimensión cómo los servicios secretos de Estados Unidos y sus aliados -entre los que se encuentra España- combaten encarnizadamente contra sus enemigos de la URSS y el Pacto de Varsovia. Las calles son el escenario de la Guerra Fría, en la que el espionaje español, controlado por militares, actúa demasiado pendiente de los intereses de la CIA, un servicio del que dependen hasta niveles insospechados.

ETA ha decidido no asesinar durante las primeras elecciones al Parlamento vasco. Mikel Lejarza, *El Lobo*, tiene que cumplir una extraña misión para la CIA que le molesta y no entiende: descubrir la doble vida de una alemana sospechosa de traición, a la que todos consideran culpable. Pronto comprenderá que en el mundo de las alcantarillas y el espionaje entre servicios secretos nada ni nadie es lo que parece.
