*The Power of Ceremony: Restoring the Sacred in Our Selves, Our Families, Our Communities* is a fascinating exploration of the knowledge and connections available to each of us by participating in existing ceremonies and establishing new ones. Family Therapist Linda Neale describes seven essential principles of ceremony and illustrates them with stories from her own life. These provide reminders of what we have lost and what we can regain in our lives and in our culture. *The Power of Ceremony* invites us all, no matter what our religious or cultural background, to develop greater meaning and deeper spiritual relationships through personal, family, and community ceremonies.
