Blackstone's Handbook for Policing Students 2016 Sofia Graça, Kevin Lawton-Barrett, Martin O'Neill, Stephen Tong, Robert Underwood, Dominic Wood

Blackstone's Handbook for Policing Students 2016 reflects the multitude of avenues into policing now open to future police officers, from pre-join courses to progression from serving as a Special or working as a PCSO. Covering the major requirements of the revised Certificate in Knowledge of Policing (2015), as well as the IPLDP Diploma in Policing, this book is a must-have for anyone embarking on a career in the police.

Divided into six parts, representing key stages in your progression from pre-join programmes, to initial training and then confirmation, the Handbook leads you through the topics, covering theory, discussion, and practice while developing skills of analysis, problem solving, and forms of reasoning. Coupled with a comprehensive and accessible style, the book ensures you have the knowledge and understanding necessary to undertake independent patrol in a professional and competent manner.

Key topics covered include stop, search and entry; alcohol and drug offences; sexual offences; interviewing; and intelligence, as well as a new chapter on cybercrime. Parts of initial police training common to all new entrants are easily identified and there are specific chapters on qualification structures and training and assessment, meeting the needs of students whether you are entering policing through pre-join schemes or through an alternative qualification route. This new structure means it is possible for students to omit certain parts of the Handbook whilst still meeting the mandatory requirements of the revised Diploma in Policing.
