## **Once I Was Cool: Personal Essays** Megan Stielstra

In these insightful, compassionate, gutsy, and heartbreaking personal essays, Stielstra, whose essay “Channel B” was recently featured in *Best American Essays 2013* edited by Cheryl Strayed, explores the messy, maddening beauty of adulthood with wit, intelligence, and biting humor.

The essays in *Once I Was Cool* tackle topics ranging from beating postpartum depression by stalking her neighbor, to a surprise run-in with an old lover while on ecstasy, to blowing her mortgage on a condo she bought because of Jane's Addiction. Or, said another way, they tackle life in all of its quotidian richness.

Some people has distinct feel when they reading a book. If you know how big good thing about a book, you can sense enjoy to read a guide. In the modern era like today, many ways to get book that you just wanted.

#### Timothy Williams:

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Once I Was Cool: Personal Essays can make you feel more interested to read.
