Test your Emotional Intelligence: Improve Your EQ and Learn How to Impress Potential Employers (Testing Series) Philip Carter

In today's competitive workplace more and more companies are using emotional intelligence tests to vet job applicants and assess staff as they increasingly recognize that positive behaviors are just as important as technical expertise.

Test your Emotional Intelligence will help readers think about various aspects of their personality and identify their strengths and weaknesses. Each test covers a different personality trait followed by an analysis and assessment that will help to develop potential, build on strengths and improve on areas of weakness. It will help readers think about various aspects of their personality, including:

- social intelligence
- self-confidence
- level of assertiveness
- ability to cope under pressure

There are no right or wrong answers, but practicing the types of questions readers may face will calm nerves and equip them with the self knowledge needed to always be one step ahead.
