## Manual del manejo de clase para catequistas (Spanish Edition) Jennifer Fitz

Para un catequista a menudo puede resultar tan crucial aprender a manejar la clase como dominar el contenido de la misma. *Manejo de clase para catequistas* ofrece a los catequistas un método que detalla paso a paso cómo controlar con amor y gracia la conducta en clase. Los catequistas aprenderán métodos que han empleado profesionales de la educación y que han puesto a prueba por años. Métodos que, además, han aplicado a los retos particulares del mundo de la educación religiosa en la parroquia.

Muchos educadores coinciden en que aprender a manejar un salón lleno de jóvenes es una tarea para nada insignificante. El valor de este libro radica en que enseña a los catequistas a enfocar adecuadamente el manejo de la clase, a afrontar situaciones inesperadas y a seleccionar las herramientas idóneas a la hora de resolver las dificultades que se vayan presentando. A través de la acción de desarrollar habilidades más que de memorizar, los catequistas acrecentarán la confianza en dichas habilidades a fin de responder a las necesidades cambiantes de los estudiantes.
