#### The Complete Book of Numerology Joyce Keller

Numerology is arguably the oldest of the divination arts and often the least understood. In the Complete Book of Numerology, Joyce Keller and her collaborator and husband Jack Keller provide a simple, intelligent, and useful guide which outlines the history, the various systems (Pythagorean, Chaldean, and Chinese), as well as the uses and applications of numerology. From numerology as applied to names and what it can tell you, the concept and reality of "lucky" and "unlucky" numbers, and the practical applications of numerology (for success, evaluating relationships, and to anticipate the larger cycles of life), the Complete Book of Numerology provides readers with a solid understanding, allowing them to utilize and incorporate into their life this, the science of the ancients.
