The Daydreamer

Ian Mcewan

The Daydreamer Ian Mcewan

From the inexhaustible imagination of Ian McEwan--a master of contemporary fiction and author of the Booker Prize-winning national bestseller **Amsterdam**--an enchanting work of fiction that appeals equally to children and adults.

First published in England as a children's book, **The Daydreamer** marks a delightful foray by one of our greatest novelists into a new fictional domain. In these seven exquisitely interlinked episodes, the grown-up protagonist Peter Fortune reveals the secret journeys, metamorphoses, and adventures of his childhood. Living somewhere between dream and reality, Peter experiences fantastical transformations: he swaps bodies with the wise old family cat; exchanges existences with a cranky infant; encounters a very bad doll who has come to life and is out for revenge; and rummages through a kitchen drawer filled with useless objects to discover some not-so-useless cream that actually makes people vanish. Finally, he wakes up as an eleven-year-old inside a grown-up body and embarks on the truly fantastic adventure of falling in love. Moving, dreamlike, and extraordinary, **The Daydreamer** marks yet another imaginative departure for Ian McEwan, and one that adds new breadth to his body of work.

From the Trade Paperback edition.
