The Power Unknown To God: My Experiences During the Awakening of Kundalini Energy T Sreenivâsulu

The awakening of the kundalini or the cosmic energy in a human body is a rare phenomenon which defies the logic and rational explanation by modern science. The author has narrated his direct experiences with this energy in great detail in this book.

It gives a fascinating insight into what happens when this cosmic energy gets activated in a human body. Hence, the kind of literature presented in some of the portions is rare to come across and truly mind boggling. This book also addresses some of the profound questions facing the mankind about its very existence.

This book is meant for all sections of the humanity irrespective of their religious, philosophical, cultural, professional and educational background. The secrets revealed in this book can be of immense help to anyone in pursuit of the lasting peace and happiness.
