The paperback edition is updated to include all the latest information on the acclaimed Singlecut models, as well as the intriguing story of the Santana SE the company's first venture into overseas manufacture. An inviting narrative describes the evolution of this internationally renowned guitar maker, while dynamic color photography spotlights outstanding PRS guitars such as the Signature, signed by Smith; the Dragon, sporting opulent shell inlays; the Swamp Ash Special and Rosewood Limited, using non-standard materials; and ultra-rare models from limited and custom runs. A special section highlights the company's famed use of highly patterned maple woods, displaying the most stunning "flame-top" and "quilt-top" examples. This definitive book also provides an absorbing photo-essay on the making of a PRS guitar, plus specifications for identifying and dating PRS instruments.
