The Word Is Very Near You: A Guide to Praying with Scripture Martin Smith

An introduction to the practice of prayer with Scripture, this book includes a number of themes for prayer with suggested passages for meditation. Martin Smith believes that prayer is not an act we perform, but rather is a response to God's reaching out to us. Through scriptural passages this book shows how the Bible can guide our prayer response and lead us from conversational prayer to meditative, receptive prayer with Scripture. This book is ideal for an ongoing Bible, prayer, or discernment group.
