Mind Control, Oswald & JFK: Were We Controlled? (Mind Control/Conspiracy S) Kenn Thomas
Did Lee Harvey Oswald receive a mind control implant at a Russian hospital in 1960? Thomas examines documented evidence -- from the little known 1969 book of the same name -- that the notorious Kennedy assassins may have been an early recipient of implant technology. This startling new information challenges all public assumptions -- including previous conspiracy theories -- about his role in the conspiracy to kill John F Kennedy. Thomas further explores the use of mind control in the JFK assassination and details the history of implant experiments.
