The true story of the Baron de Steuben and the making of the American Army, *The Drillmaster of Valley Forge* is the first biography in half a century of the immigrant Prussian soldier who molded George Washington's ragged, demoralized troops into the fighting force that eventually triumphed in America's War of Independence. Praised by renowned historian Thomas Fleming as “an important book for anyone interested in the American Revolution,” *The Drillmaster of Valley Forge* rights a historical wrong by finally giving a forgotten hero his well-deserved due.
