The Narnian

Alan Jacobs

The Narnian Alan Jacobs

The White Witch, Aslan, fauns and talking beasts, centaurs and epic battles between good and evil -- all these have become a part of our collective imagination through the classic volumes of *The Chronicles of Narnia*. Over the past half century, children everywhere have escaped into this world and delighted in its wonders and enchantments. Yet what we do know of the man who created Narnia? This biography sheds new light on the making of the original Narnian, C. S. Lewis himself.

Lewis was one of the intellectual giants of the twentieth century and arguably the most influential religious writer of his day. An Oxford don and scholar of medieval literature, he loved to debate philosophy at his local pub, and his wartime broadcasts on the basics of Christian belief made him a celebrity in his native Britain. Yet one of the most intriguing aspects of Clive Staples Lewis remains a mystery. How did this middle-aged Irish bachelor turn to the writing of stories for children -- stories that would become among the most popular and beloved ever written?

Alan Jacobs masterfully tells the story of the original Narnian. From Lewis's childhood days in Ireland playing with his brother, Warnie, to his horrific experiences in the trenches during World War I, to his friendship with J. R. R. Tolkien (and other members of the "Inklings"), and his remarkable late-life marriage to Joy Davidman, Jacobs traces the events and people that shaped Lewis's philosophy, theology, and fiction. The result is much more than a conventional biography of Lewis: Jacobs tells the story of a profound and extraordinary imagination. For those who grew up with Narnia, or for those just discovering it, *The Narnian* tells a remarkable tale of a man who knew great loss and great delight, but who knew above all that the world holds far more richness and meaning than the average eye can see.

From reader reviews:

Catherine Williams:

Do you have favorite book? For those who have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each e-book has different aim or perhaps goal; it means that guide has different type. Some people feel enjoy to spend their time to read a book. They may be reading whatever they take because their hobby is reading a book. Think about the person who don't like reading a book? Sometime, particular person feel need book when they found difficult problem or perhaps exercise. Well, probably you will require this The Narnian.

Mary Davis:

What do you concerning book? It is not important along with you? Or just adding material when you require something to explain what you problem? How about your extra time? Or are you busy individual? If you don't have spare time to complete others business, it is make you feel bored faster. And you have spare time? What did you do? Every person has many questions above. The doctor has to answer that question due to the fact just their can do that. It said that about reserve. Book is familiar on every person. Yes, it is appropriate. Because start from on kindergarten until university need that The Narnian to read.

Rodney Richardson:

The ability that you get from The Narnian could be the more deep you excavating the information that hide within the words the more you get serious about reading it. It does not mean that this book is hard to know but The Narnian giving you buzz feeling of reading. The article writer conveys their point in specific way that can be understood by anyone who read the item because the author of this publication is well-known enough. This book also makes your current vocabulary increase well. So it is easy to understand then can go with you, both in printed or e-book style are available. Eric Kinlaw:

Reading a publication tends to be new life style within this era globalization. With studying you can get a lot of information that could give you benefit in your life. Together with book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or even their experience. Not only situation that share in the guides. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on earth always try to improve their ability in writing, they also doing some study before they write for their book. One of them is this The Narnian.
