Isabel Coma Canella

Cambiando corazones (Testimonio) (Spanish Edition) Isabel Coma Canella

Este libro relata seis historias de personas a las que se les ha trasplantado el corazón: cómo era su vida antes, la decisión, la espera, las vicisitudes ocurridas en la cirugía, los días posteriores a la operación... Son casos reales, relatados por los médicos que intervinieron en los trasplantes, sin excluir el testimonio de los pacientes, así como de sus familiares.

Con una prosa ágil, la dosis de suspense propia de cada situación, y también con un fino sentido del humor, la obra ofrece al lector una visión completa y amena de las peripecias y riesgos habituales del trasplante cardíaco. Los autores nos invitan a ser testigos privilegiados de su actuación profesional, a la vez que nos contagian su pasión por la medicina y su gran humanidad.

No se trata de una obra escrita para buscar emociones fuertes, ni para satisfacer la curiosidad morbosa que rodea a este tipo de intervenciones, sino, fundamentalmente, para volver a apreciar el regalo de la vida.
