## **Float** Daniel Miyares

A boy's small paper boat—and his large imagination—fill the pages of this wordless picture book, a modern-day classic from the creator of *Pardon Me!* that includes endpaper instructions for building a boat of your own.

A little boy takes a boat made of newspaper out for a rainy-day adventure. The boy and his boat dance in the downpour and play in the puddles, but when the boy sends his boat floating down a gutter stream, it quickly gets away from him.

So of course the little boy goes on the hunt for his beloved boat—and when the rain lets up, he finds himself on a new adventure altogether.

This seemingly simple story from Daniel Miyares is enriched with incredible depth and texture that transcend words.
