It's a bright spring day in the farmyard and Kitten is meeting all sorts of animals and their young, including frogs and tadpoles, owls and owlets and many more. In this first book in the Kitten series, rhyming couplets capture the animals' sounds and actions, making it a fantastic interactive read-aloud. Young readers will enjoy mimicking animal sounds, picking out seasonal details in the exquisite mixed-media art and searching for and finding Kitten on every page.

The Kitten series follows a lovable feline around the farmyard over the course of one day as she encounters different animals. Each title in the four-book series is set in a different season.
