KS1 Maths Targeted Study & Question Book - Year 1 (for the New Curriculum) CGP Books

This all-in-one Study & Question book is a brilliant way for Year One pupils (ages 5-6) to get to grips with Key Stage One Maths. For every topic, there's a page of clear, colourful notes that summarises all the important skills. This is followed by a page of practice questions to test children on what they've just learned. The book also contains two objective tests - one to assess children's skills at the start of Year One, and one to measure their progress at the end of the year. All the answers are included and there's an explanation of all the key maths terms at the back.
