The Gold of the Sunbeams: And Other Stories Tito Rajarshi Mukhopadhyay

Diagnosed as severely autistic at the age of three, Tito, nearly nonverbal, was brought up by his loving mother Soma, who taught him to read English and challenged him to write his own stories. The initial result was *The Mind Tree*, published in 2003, which Tito wrote between the ages of eight and eleven. *The Gold of the Sunbeams* is an equally impressive, beautiful collection of stories, each prefaced by a charming note from Tito explaining how the story came into being. Above all, this is the work of a true poet.
