## **24/7: Living It Up and Doubling Down** Andres Martinez

In the spring of 1998, mild-mannered, Ivy League-educated Andrés Martínez took \$50,000--most of the advance his publisher was paying for this book--and headed to Las Vegas for thirty days, ten casinos, and a wild ride through the belly of a neon beast. The result: this brilliant, often hilarious chronicle of flesh, flash, and gambling in a city where everyone dreams of hitting the jackpot--and once in a while, someone actually does.

From seedy strip clubs to sprawling suburbs, from the sumptuous Bellagio to the Liberace Museum, Martínez meets a host of colorful characters...gathering tricks of the trade from blackjack dealers and fellow bleary-eyed gamblers, attending Easter Sunday mass on the Strip, befriending a family man who raised six kids while losing eight million dollars as a sports gambler. An exhilarating joyride of a read, **24/7** is a breathless tour of America's Sin City...as seen through the eyes of a man making \$1.65 million in wagers in a single month. Guess how much he took home?
