Curious George Goes to the Zoo H. A. Rey

The zoo is the perfect place for a curious little monkey to make mischief and new friends! George is going to visit a new kind of zoo where the animals all roam free. Some of those animals look like a lot of fun—so much fun that a curious monkey can't resist joining them. Giraffes and flamingos are close enough to touch, but George befriends a baby rhino who seems a little sad. Who better to lure her from her hiding place than George? And just in time for her special birthday party!
