**Diário de um Prematuro: Natasha é Vida (Portuguese Edition)** Eduardo de Jesus

Nascida prematura extrema, ela teve muitas complicações que provocaram comprometimento neurológico e pulmonar.

Passou por muitos procedimentos clínicos, cirúrgicos, diversas intercorrências, sendo considerada pelos médicos como um verdadeiro milagre, pois sempre se superava de uma forma mágica e inexplicável para a medicina.

Natasha ainda foi vítima de problemas com o convênio e com os hospitais, que nos mostraram uma dura realidade no sistema de saúde atual.

Uma história contagiante que mistura recaída e superação, dor e alegria, angústia e esperança, atrito e amizade. E mostra que enquanto há vida há esperança, e que qualidade de vida é possível, independentemente dos problemas e limitações. Basta carinho, amor, dedicação e respeito.

Lendo este livro, você vai compreender por que Natasha é vida! E garanto que algo em você irá mudar. Principalmente a forma de ver a vida.
