# Investigating Sherlock

*Nikki Stafford*

**Investigating Sherlock** Nikki Stafford  
*An essential companion to the hit BBC show*

He's been depicted as a serious thinker, a master of deduction, a hopeless addict, a bare-knuckle fighter. His companion is a bumbler, a sympathetic equal, someone helpless in the face of his friend's social inadequacies. Sherlock Holmes and John Watson remain the most-adapted fictional characters of all time. In 2010, when Benedict Cumberbatch and Martin Freeman stepped into the roles, they managed to meld many previous incarnations into two glorious performances. Over *Sherlock's* first three seasons, the Emmy-winning series has brought new life to stories almost 130 years old and, with its Holmes and Watson for the 21st century, created a worldwide fandom unlike any other.

*Investigating Sherlock*, written by bestselling author Nikki Stafford, examines each episode through in-depth and fun analysis, exploring the character development and cataloguing every subtle reference to the original stories. With biographies of Cumberbatch and Freeman, as well as Arthur Conan Doyle, *Investigating Sherlock* is the ultimate guide to the great detective.
