Empress Nur Jahan ruled Hindustan for sixteen long years. While her story is often told with wonder and awe, historians and writers ignore the tale of her daughter, Laadli: the reluctant princess who found herself sucked in the maelstrom of her insensitive mother's ruthless ambitions. Destiny having thrust royalty on her, Laadli was trapped into living a life dictated by her ambitious mother. She travelled through tragic events of her life with a stoic optimism.

The novel is a peep into pages of history - a saga of broken hearts, palace intrigues, ruthless machinations, endless tussles for power and riches, decadence and debauchery. Set against the background of the opulence of the Mughal Empire, Nur Jahan's Daughter is the story of a royal lineage plunged into fratricidal friction, treachery, unbelievable loyalty and passion; a colourful tapestry woven with the splendid skeins of life in medieval India and the Mughal courts. Nur Jahan's Daughter presents a vibrant and pulsating view of those times through a fascinating kaleidoscope of events.
