The Massive #19 Brian Wood

"An improvised explosive device rips through the Kapital while at port in the Baltic Sea, and the group claiming responsibility is no group at all . . . It's an individual: Arkady, the demon from Cal's past in Mogadishu. When Cal goes to confront his nemesis, he discovers that Arkady holds a piece of the puzzle that could change everything. * From the writer of Star Wars, Conan, and X-Men! ""Much like DMZ, the glimpses of savagery [in The Massive] are unsettling because this world isn't as divorced from ours as we'd like it to be.""IGN"
