A cute little Halloween pumpkin announces that he is ready for a Halloween adventure. So he prepares to set out on the exploration of a lifetime. However, his ever watchful and caring mother wants to make sure he's prepared before he takes that first step outside.

The little pumpkin will begin his adventure on a witch's broom, where he will fly through the skies. Next, he'll dare to venture through the very spookiest haunted house. And to celebrate the night, he'll dance to the "Monster Mash"! It's scary out there on Halloween night, but his mother is packing a parachute just in case he falls, a blankie for reassurance, and his favorite monster shoes so he can boogie-woogie all night long. Whatever adventures he has, he is sure to be prepared. Halloween isn't so scary when you have a mother pumpkin making sure you're ready for whatever frights might come your way!

Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
