A sexy new M/M romance from Entangled's Brazen imprint...

Between love and hate, there's a whole lot of trouble...

Chad Lake only showed up at his sister's party for the free food, but when he spots an uptight nerd at the edge of the crowd, he can't resist trying to ruffle the guy's perfect bow tie and impeccable hair. The hottie's ready for him, though, and in the end, it's Chad who's left wide-eyed, his ears still ringing with the filthy things Bow Tie whispered in his ear. No one gets the upper hand on Chad. Ever.

Owen Hawkins has heard all about the cocky Adonis from Chad's sister--the same sister who holds Owen's career advancement in her hands. He has every intention of steering clear of the other man...until Chad's sexy taunts push him too far. There's something intriguing about Chad, and even though Owen knows that getting tangled up with the infuriating man is trouble, he can't seem to stay away...
