'Tis Frank McCourt

The same vulnerable but invincible spirit that captured our hearts in the Pulitzer Prize-winning memoir *Angela's Ashes* comes of age in *'Tis*.

Listen as Frank tells in his own inimitable voice his story of how at the age of 19 he traveled from Limerick to New York in pursuit of the American dream. Despite the abundance of unsolicited advice he gets to "join the cops" and "stick to his own kind", Frank knows that he should educate himself and somehow rise above his circumstances.

And though he left school at 14, he talks his way into New York University, falls in love with the quintessential Yankee, long-legged and blond, and tries to live his dream. But it is not until he starts to teach - and to write - that Frank finds his place in the world. And for those of us who are lucky enough to come across his writings - and captivating readings - *'Tis* a wonderful thing that he did.
