Voices of Maui: Natives and Newcomers: their eventful heritage, amazing culture, what they do and think in changing times. Norm Bezane

Voices of Maui is a compilation of profiles by award-winning Lahaina News columnist Norm Bezane. Listen to the voices--descendents of Polynesian warriors and kings and queens and sugar plantation workers as well as recent 21st century transplants who live, work and play here... people whose culture is built on love of the land...people who couldn't resist moving here because they were blown away by island beauty. Learn what locals think, how they live and how they sometimes struggle. Destination Maui, Hawaii U.S.A, is a magical isle whose beauty is matched by the beautiful people who live here. Yet the curious, and the not so curious rarely get to know Hawaiians or "locals" born and raised in a place beset by rapid change, where cultures sometimes clash and new lifestyles are being forged. This collection of essays and profiles gives voice to what the real Maui and its people are all about. These are the voices of Maui, not always heard, but here for all to learn from and enjoy.
